MEET JORDYN

I'm Jordyn, the owner & photographer behind Jordyn Kitzelman Photography. I love being able to work with couples to document the way you love each other so perfectly.

Based out of Lincoln, NE, I've had a camera in my hand for over ten years now.

I began working in sports and eventually worked as an athletic photographer for the Nebraska Huskers. After graduating, I decided my work needed a change, and I transitioned to lifestyle and documentary photos. I fell in love with capturing the raw, real emotions of the BIG, HUGE, IMPORTANT events in people's lives - like getting engaged, married, having families and more.

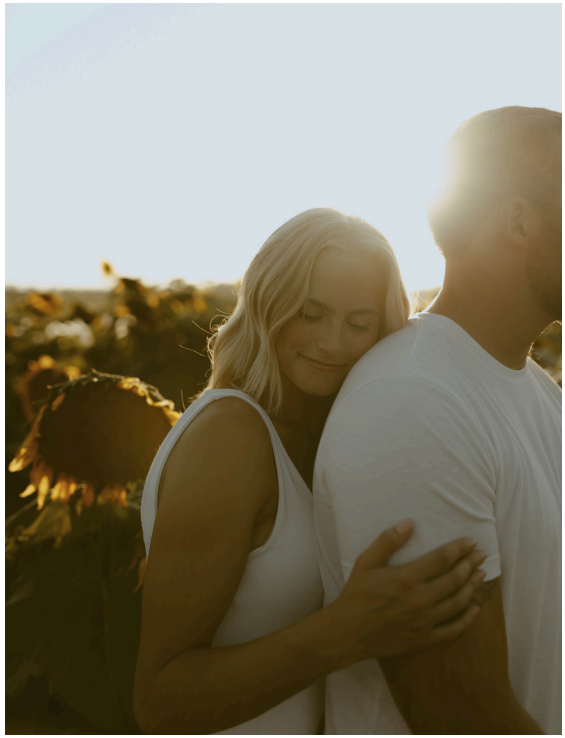

Get comfy as you browse my work!

YOU HAVE QUESTIONS
I HAVE ANSWERS

Q: What sets you apart from other photographers?

A: With years of experience, I use a unique approach to merge natural, candid documentary moments with styled, editorial photos. I use natural lighting as often as possible and know how to make you feel and look your best in photos!

Q: Will I get the print release to my photos after our session?

A: Yes! Upon receiving your images, you will also get a full print release.

Q: Will my photos be posted publicly on your site or social media?

A: Typically yes, but I completely respect your privacy. I'd love to show off you & the images taken! If this isn't something you're okay with, that's okay too! You can just let me know and I'll make sure to keep your photos hidden.

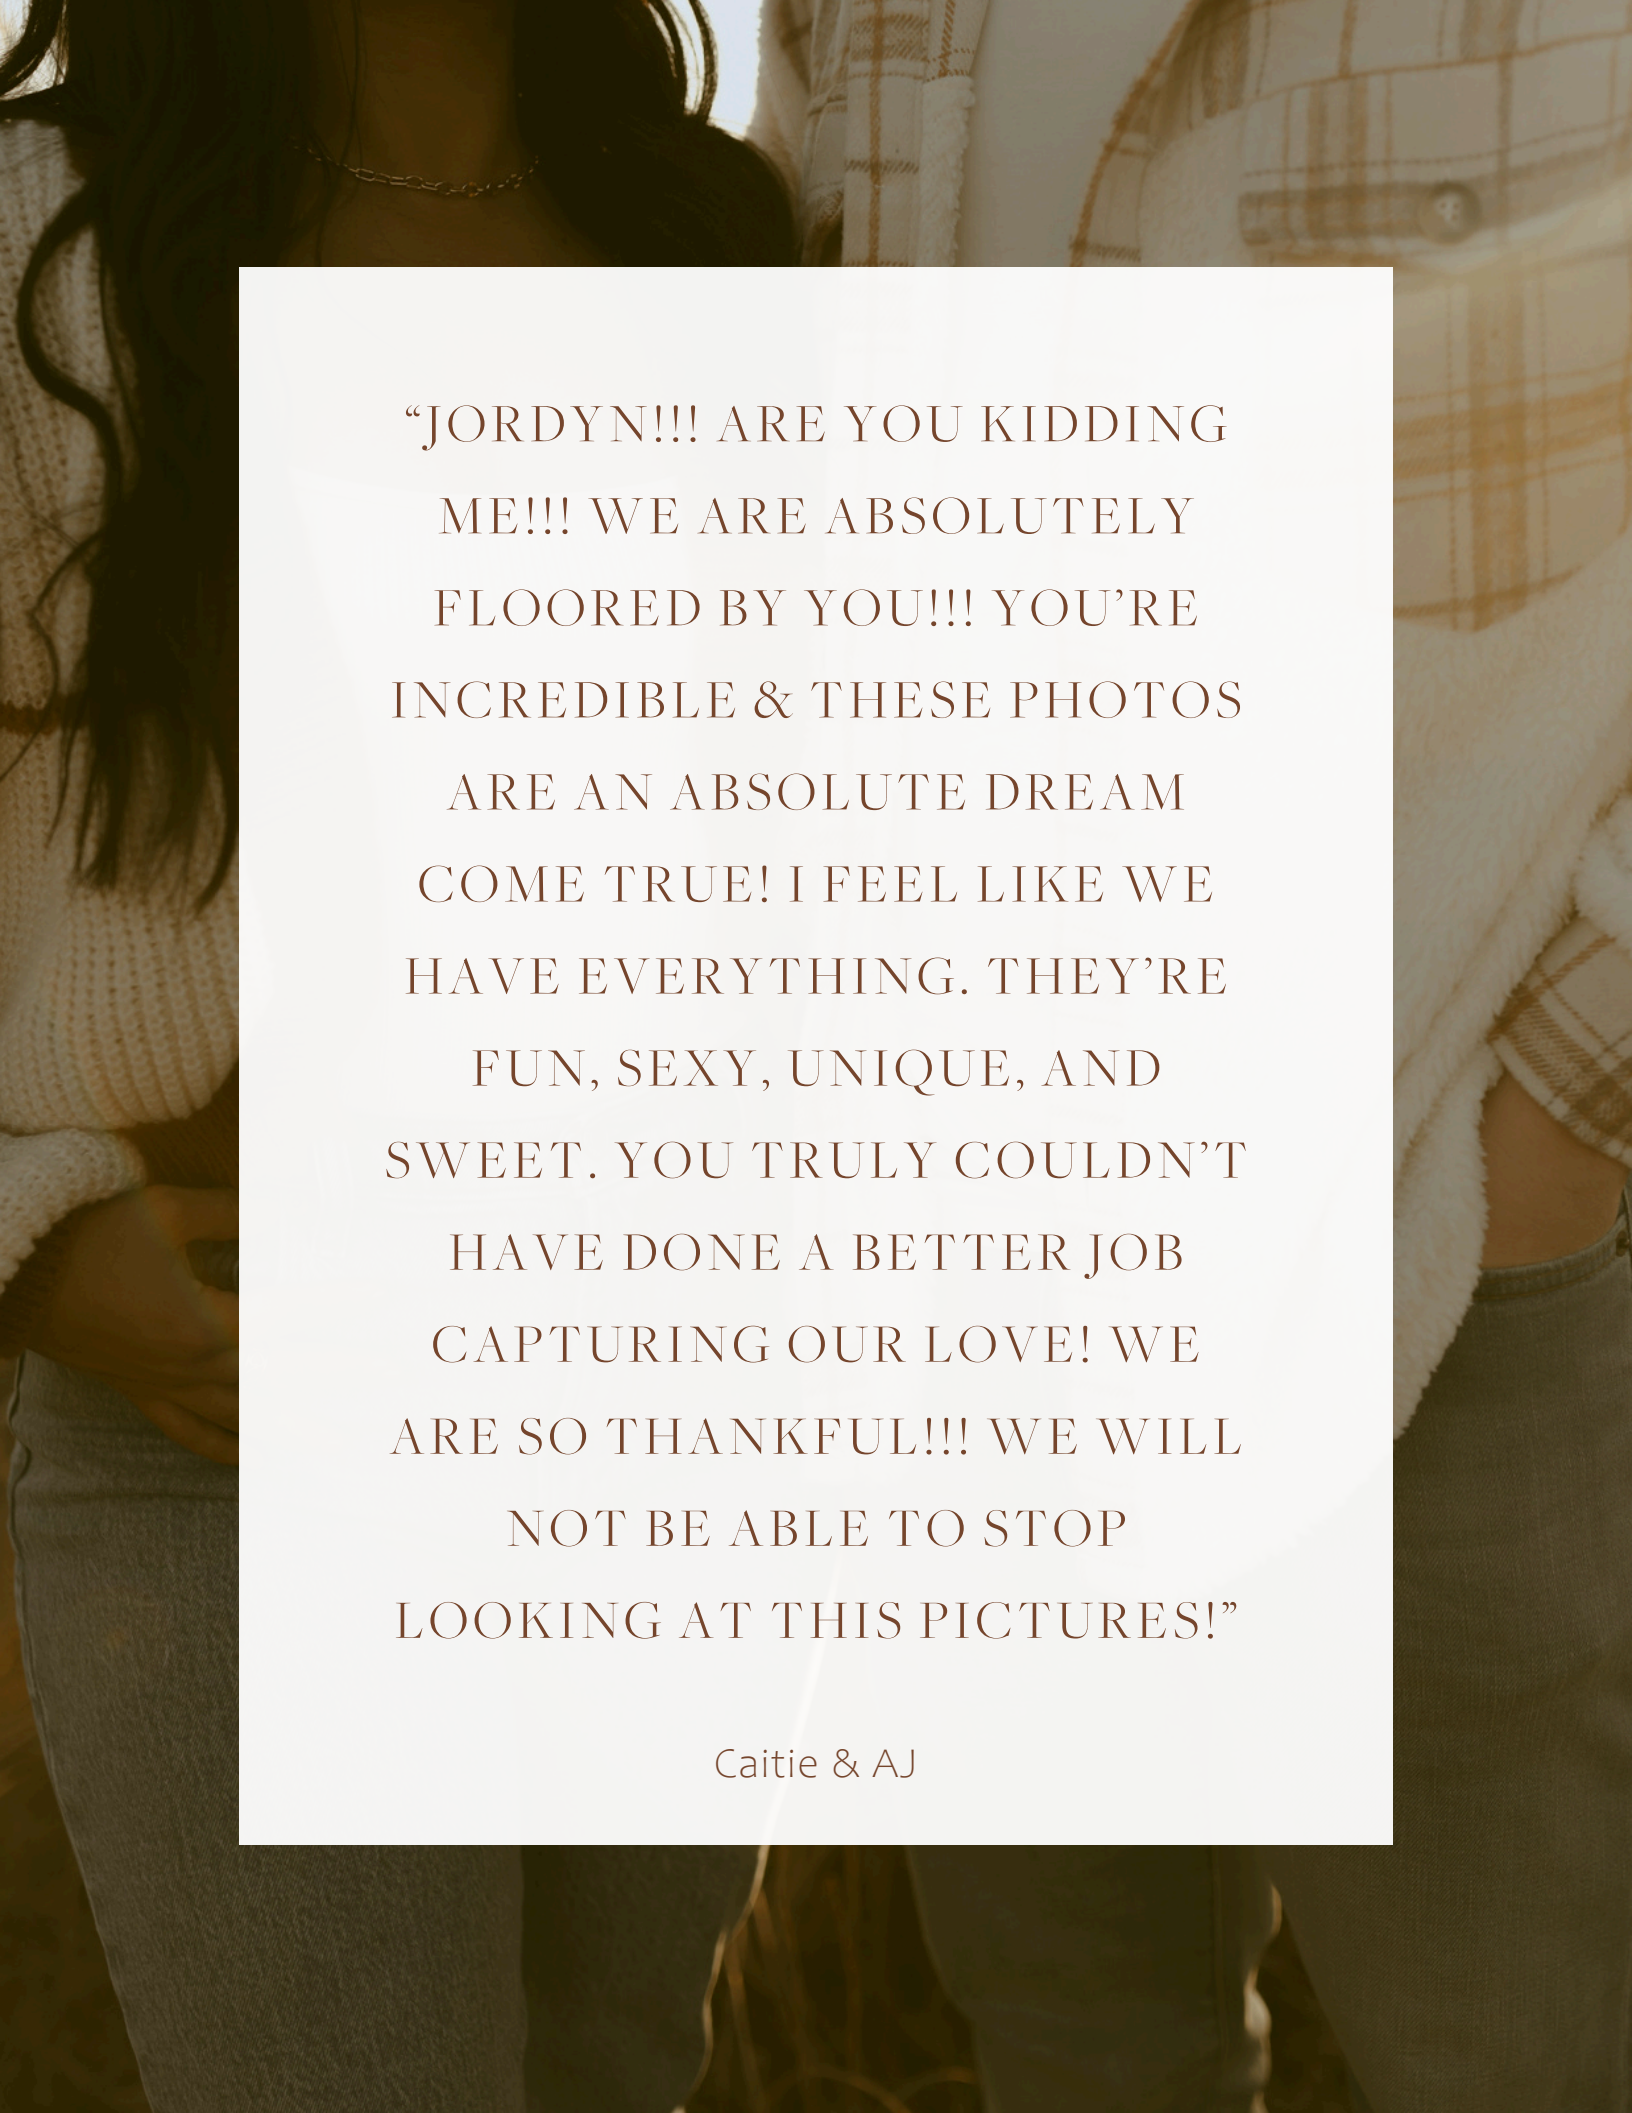

Q: Do I have to order prints through you?

A: I highly recommend ordering prints through the vendor connected to your online gallery, but it isn't required. The difference in quality is huge when it comes to ordering through a professional lab, so I always love to help with prints!

Q: Will you Photoshop my images to hide any unwanted spots, etc?

A: Minor edits will be made to all of your images, but I believe our imperfections are what make us beautiful & unique. If there are specific edits you want, these will be charged according to the number and complexity of edits.
