MEET JORDYN

I'm Jordyn, the owner & photographer behind Jordyn Kitzelman Photography. I love being able to preserve the love between two people in warm, candid memories to look back on... FOREVER.

Based out of Lincoln, NE, I've had a camera in my hand for over ten years now.

I began working in sports and eventually worked as an athletic photographer for the Nebraska Huskers. After graduating, I decided my work needed a change, and I transitioned to lifestyle and documentary photos. I fell in love with capturing the raw, real emotions of the BIG, HUGE, IMPORTANT events in people's lives - like getting engaged, married, and having families.

Get comfy as you browse my work!

YOU HAVE QUESTIONS

Q: What sets you apart from other photographers?

A: With years of wedding experience, I use a unique approach to merge natural, candid documentary moments with styled, editorial photos. I use natural lighting as often as possible and know how to make anyone feel and look their best in photos!

Q: Will we get the print release to our photos after our wedding?

A: Yes! Upon receiving your images, you will also get a full print release.

Q: How many photographers will be there at our wedding?

A: Collections 01. through 03. come with a single photographer, but you are more than welcome to add a second shooter for an additional cost. Collection 04. will have a second photographer already included, for even more candid moments that I wouldn't be able to capture.

Q: Will my photos be posted publicly on your site or social media?

A: Typically yes, but I completely respect your privacy. I'd love to show off you & the images taken! If this isn't something you're okay with, that's okay too! You can just let me know and I'll make sure to keep your photos hidden.

Q: Will our photos get featured in a magazine or blog?

A: This isn't something that is guaranteed. Most publishers are interested in uniquely designed weddings.

Q: Will you Photoshop my images to hide any unwanted spots, wrinkles, etc?

A: Minor edits will be made to all of your images, but I believe our imperfections are what make us beautiful & unique. If there are specific edits you want, these will be charged according to the number and complexity of edits.

Q: Do you have a list of preferred vendors to use?

A: Yes! From wedding planners to florists and caterers, we have worked with some of the best companies in the industry & would love to share their information with you!

Q: Do I have to order prints through you?

A: I highly recommend ordering prints through the vendor connected to your online gallery, but it isn't required. The difference in quality is huge when it comes to ordering through a professional lab, so I always love to help with prints!

Q: What equipment do you use?

A: I use all of the latest Canon equipment. I always carry the Canon R5, Canon R6, 35mm lens, 85 mm lens, and Godox, V1 Flash, among other items.

Q: Do you photograph destination weddings?

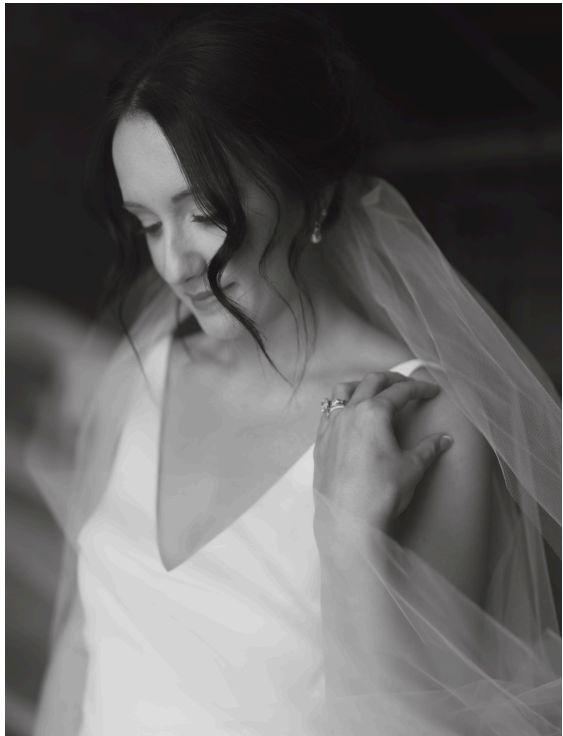

A: Yes! I'm more than happy to create a custom wedding collection to suit your travel needs.

Q: What is the complimentary engagement session like?

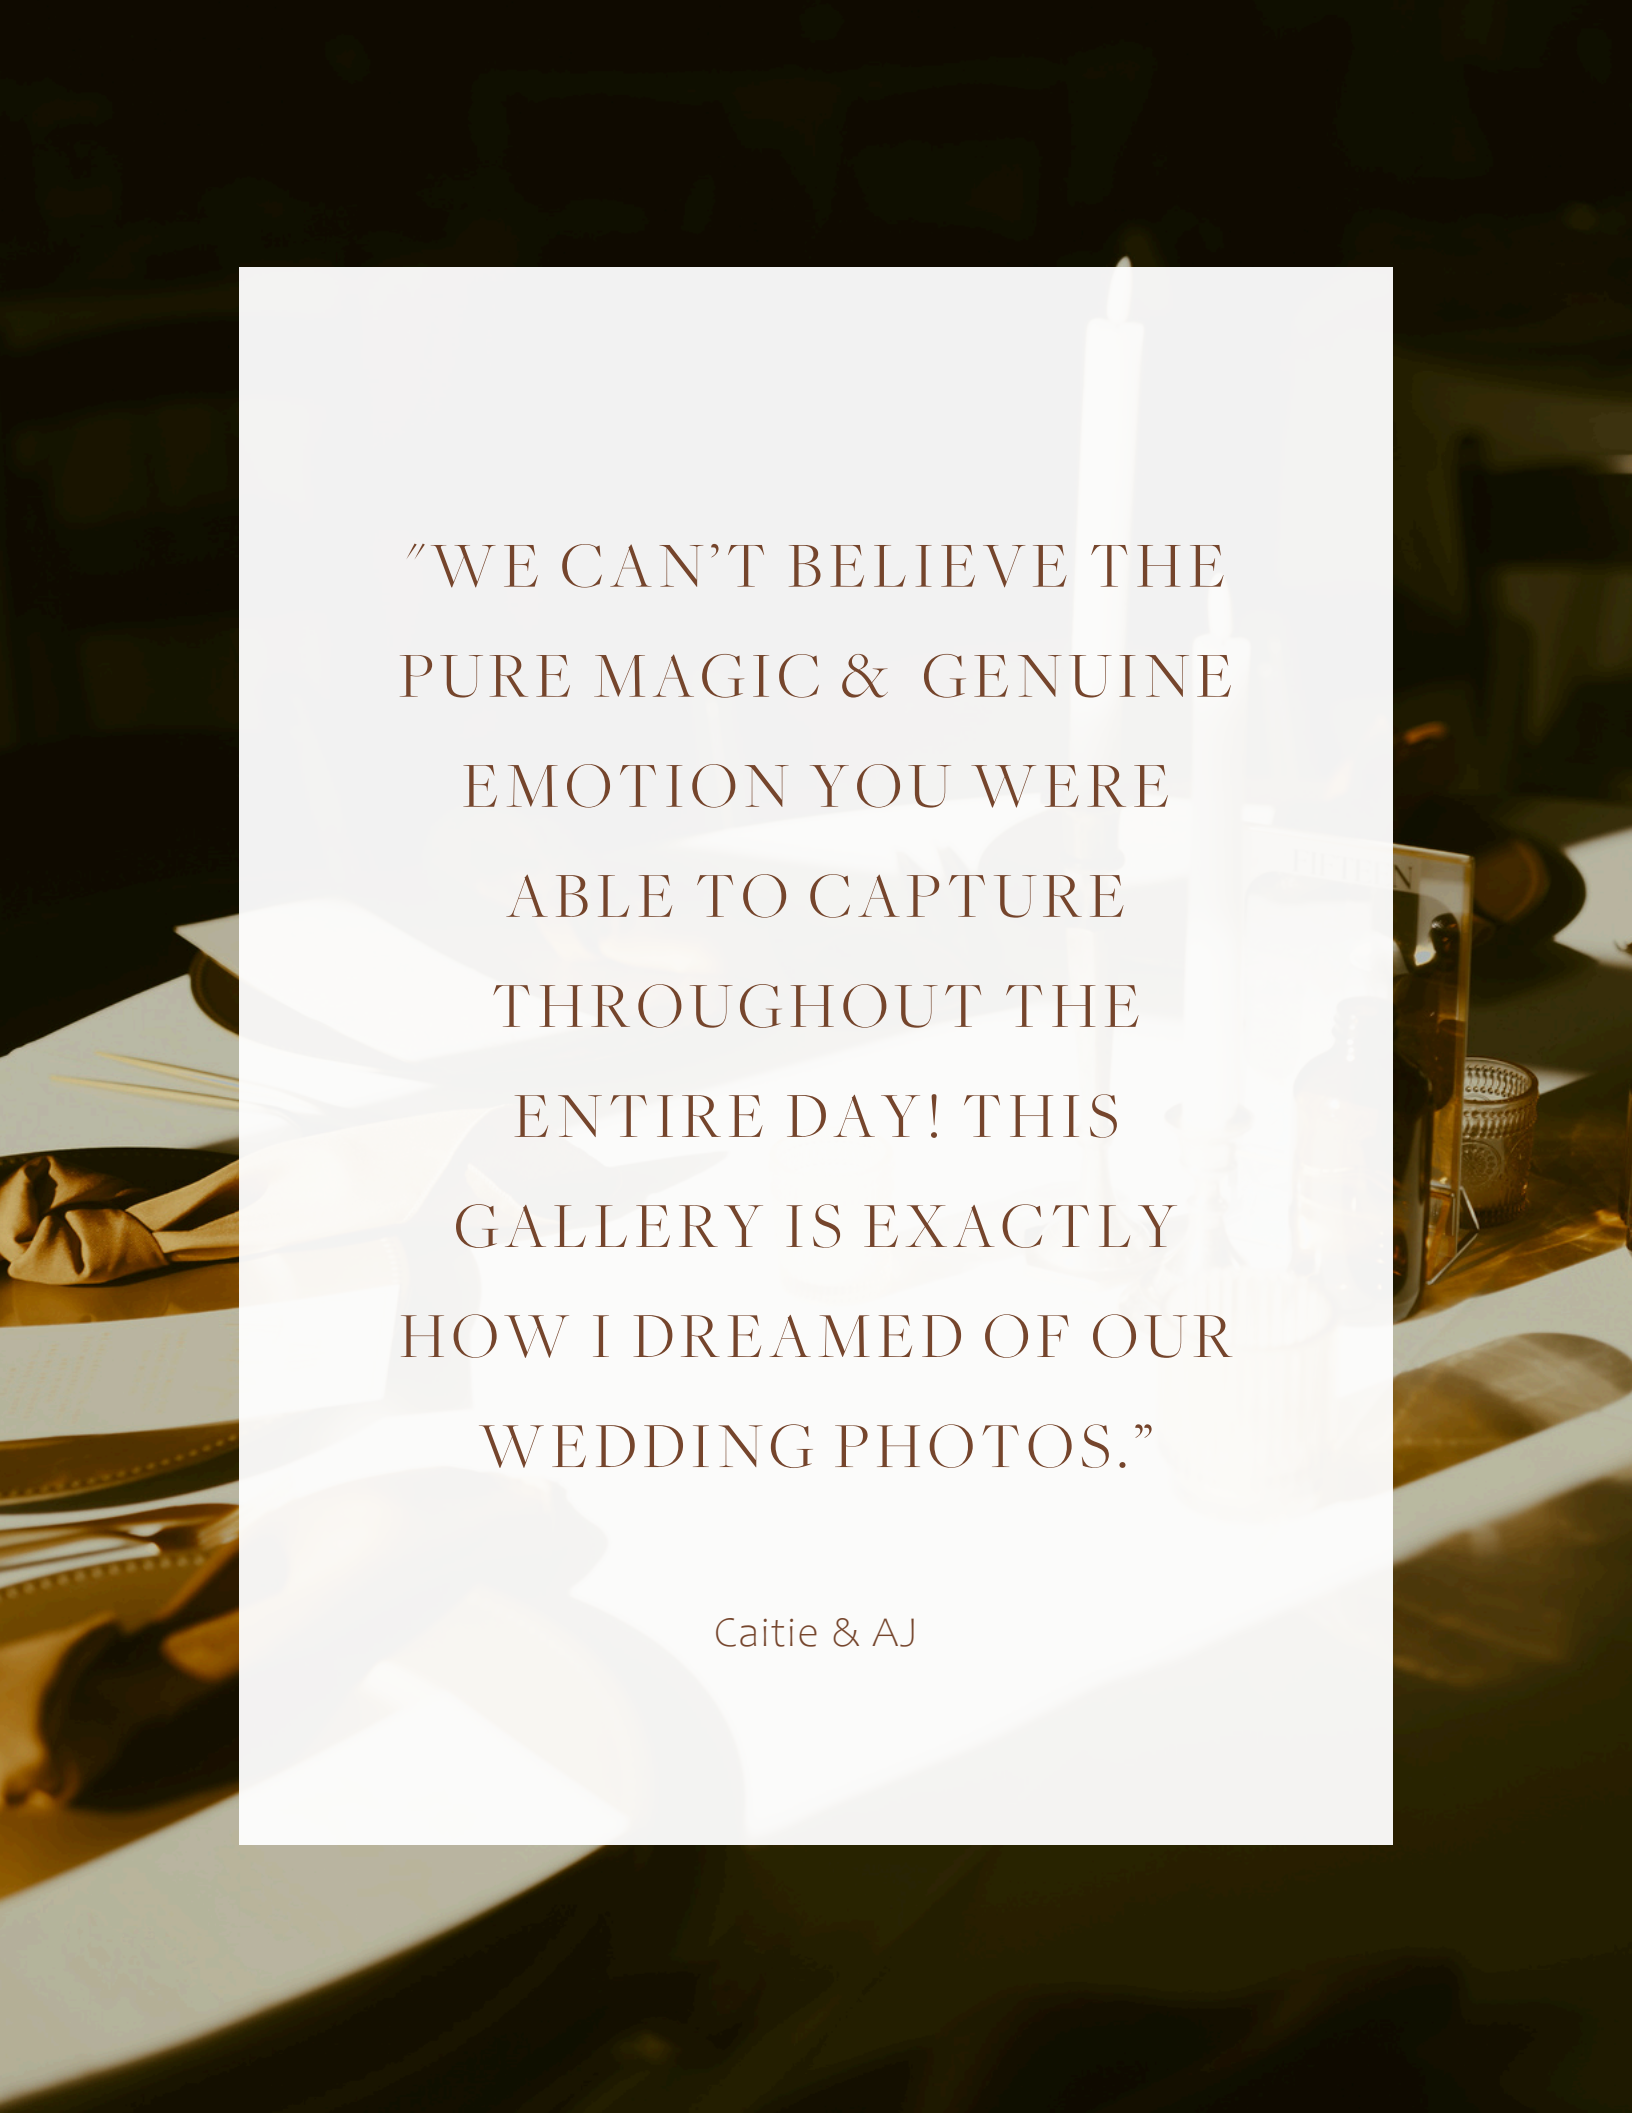

A: We'll plan to create a gorgeous session that feels like YOU, with two outfits and two locations (excluding travel). This is a super great way for us to get to know each other before your big day.

Q: How do we reserve our wedding date?

A: A 30% deposit & signed wedding agreement is required in order to get your wedding reserved on my calendar. The remainder of your balance is due 30 days prior to your wedding.
