MEET JORDYN

I'm Jordyn, the owner & photographer behind Jordyn Kitzelman Photography. I love being able to work with families to capture these big moments, and all of the milestones as your littles continue to grow.

Based out of Lincoln, NE, I've had a camera in my hand for over ten years now.

I began working in sports and eventually worked as an athletic photographer for the Nebraska Huskers. After graduating, I decided my work needed a change, and I transitioned to lifestyle and documentary photos. I fell in love with capturing the raw, real emotions of the BIG, HUGE, IMPORTANT events in people's lives - like getting married, having families, first birthdays and more.

Get comfy as you browse my work!

YOU HAVE QUESTIONS
I HAVE ANSWERS

Q: What sets you apart from other photographers?

A: With years of experience, I use a unique approach to merge natural, candid documentary moments with styled, editorial photos. I use natural lighting as often as possible and know how to make you feel and look your best in photos!

Q: What happens if my little is fussy?

A: We do our best! It's not my first time taking photos of a fussy little babe, but I also whole-heartedly believe in capturing the moment as it happens. If we get mostly fussy photos, it is how your little was at that time, and you'll still look back on them in 20 years and smile!

Q: Will I get the print release to my photos after our session?

A: Yes! Upon receiving your images, you will also get a full print release.

Q: Will my photos be posted publicly on your site or social media?

A: Typically yes, but I completely respect your privacy. I'd love to show off you & the images taken! If this isn't something you're okay with, that's okay too! You can just let me know and I'll make sure to keep your photos hidden.

Q: Do I have to order prints through you?

A: I highly recommend ordering prints through the vendor connected to your online gallery, but it isn't required. The difference in quality is huge when it comes to ordering through a professional lab, so I always love to help with prints!

Q: Will you Photoshop my images to hide any unwanted spots, baby acne, etc?

A: Minor edits will be made to all of your images, but I believe our imperfections are what make us beautiful & unique. If there are specific edits you want, these will be charged according to the number and complexity of edits.
